Subject: Channelview Waste Site: CERCLIS ID No. TXD980623664
Summary of File Information

Document Control No.: START 02/06-F-H0012

Site Description/History: The Channelview Waste Site is located off of I-10 near Penn Road in eastern Harris County, Texas, and is the site of alleged "midnight dumping" in the early 1980s. The FIT interviewed a witness and inspected the site. The FIT found no basis for continued investigation of the site. No impacts were visible at the alleged dumping site, the witness left a false telephone number, and no credible evidence of dumping was developed.

Potential Waste Sources: There is no credible evidence of waste sources.

Analytical Data: None

Targets: Targets have not been identified or evaluated since there is no credible evidence of waste sources.
